⚠ WARNING: PHOTSENSITIVITY/EPILEPSY/SEIZURES

READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
 - Avoid large screen televisions. Use the smallest television screen available.
 - Avoid prolonged use of the PlayStation 2 system.
Take a 15-minute break during each hour of play.
 - Avoid playing when you are tired or need sleep.
-

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

To play, just jump on the [■], [▲], and [●] to hop your circus animal along the path.

Boom-[▲]: The object of this game is to use the cannon to hit the matching letter dropped into the cannon by the clown that is displayed on the circus wall. Jump on the [■], [▲], and [●] to aim the cannon at one of the letters on the wall. Jump on the [★] symbol to fire! It's time to play Boom!

Monkey Says-[●]: The object of this game is to do what Fred the Monkey says! When he calls out a letter, jump on the matching colored shape. Just make sure he says "Monkey Says" first!

Earn points for going fast and collecting letters in order. Watch out for cones, tires, and barrels that will slow you down. Let's ride!

Sky High Fireworks-[●]: The object of this game is to jump on any pad to fire a rocket, which bursts into a blast of colors in the air. The faster you jump, the more fireworks you'll see!

CIRCUS RING 3

Hopping is free in Circus Ring 3!

Pie Toss-[■]: The object of this game is to hit the picture displaying the matching letter called out by Ethyl the Elephant with a pie. To play, jump on the [■], [▲], or [●] to choose which way to throw. To make the pie go higher, jump on the [★] symbol. Let's get tossing!

Spelling Balloons-[▲]: The object of this game is to match the object spelled out on your clown's balloon with the balloon that displays the correct picture. Use the [■] and [●] to move your Chico the Clown left and right. Jump on the [▲] to move upward quickly. You can do it!

Big Top Band-[●]: The object of this game is to have fun with music! Watch the balloons go up the pipes. When the balloons reach the top of the pipe, jump on the matching shapes to make them pop in time with the music. Be ready! If you want to boogie down, you'll have to keep up with the balloons!
