DISNEY/PIXAR'S TOY STORY 2

All the toys are together in Andy's room. Buzz and Rex are playing the Buzz Lightyear video game. Woody excitedly prepares for his annual trip to Cowboy Camp with Andy, but when Woody's arm is accidentally torn, he has to stay home.

While Andy is away, Woody is accidentally placed outside at a garage sale. Even though Andy's mother insists that Woody is not for sale, a greedy toy collector steals Woody when she's not looking.

Buzz desperately tries to save Woody from Al; but he's too late. Only a personalized license plate on the toy collector's car gives Buzz a clue on how to find Woody. Buzz sets out to rescue Woody and get him back home safely before Andy returns home from camp.

Buzz has to enlist the help of all the toys in the family to bring Woody back and save him from Al. They are all in store for an amazing adventure as Buzz must get out of the house, through Andy's neighborhood, and into the thieving collector's toy store.

When Buzz reaches the toy store, he realizes that Woody is still nowhere to be found! Buzz must hitch a ride to the toy collector's high-rise to find Woody and rescue him.

While Buzz is trying to reach his pal to bring him back home, Woody is falling under the spell of a wise old toy. The Prospector doesn't want Woody to go back to Andy because Woody is the final missing piece to create toy fame for the old Prospector. The Prospector convinces Woody that he will be safer in a toy museum where he will be honored as a valued collectable.

When Buzz finally makes it to the toy collector's high-rise to rescue Woody, Woody doesn't want to go! Buzz must remind Woody about their toy family and their best friend, Andy.

PLAYING THE GAME

To progress through the game, you need to collect **Pizza Planet Tokens**. As you collect more tokens, more zones of the map will open up for you to explore. There are five zones in the game.

There are five tokens per level (except when you must fight the big bosses). You don't need all five tokens to progress to the next level, but as the game goes on, you will need more tokens to get through to the later zones.

You must get through all the zones to win the game and rescue Woody. There are five different ways on each level to get tokens:

Coins – Collect coins to give to Hamm. When he is happy with the number of coins you have given him, he will give you a token.

Mini-Boss – Each level will have one unique enemy that must be defeated for a token.

Five Collectibles – Each level will have a character that gives Buzz the task of finding five objects. For example, Buzz must find five of Bo-Peep's lost sheep in Andy's House.

Puzzle – There is a puzzle on every level. Every time you solve a puzzle you will get a token.

Race – Every level has a time-based obstacle course or race that you must beat in order to obtain a token.

BUZZ LIGHTYEAR'S MOVES

You can do loads of cool things with Buzz Lightyear in this game. Except fly!

RUN

Use the directional buttons to navigate Buzz through the levels. He never gets tired. He's a Space Ranger!

JUMP

Press the **X** button to make Buzz jump. Press the **X** button when Buzz is in the air to make his wings extend to get an extra double jump.

GRAB N' PULL UP

If Buzz runs or jumps into an edge he will grab it and pull himself up.

POLE CLIMB

If Buzz runs or jumps into a pole or chain, or maybe even a plant stalk, he'll grab onto it and climb up. Don't forget he can also slide down too!

ZIP LINE SLIDE

If Buzz jumps into a zip line, he'll grab it and slide down to wherever it goes. Press the **X** button and directional buttons left/right to jump off the zip line.

PUSH

Buzz can push some items in the game. Be on the lookout for the flashing green hand symbol.

SUPER FOOT STOMP

Press the **X** button to make Buzz jump, then press the **●** button to make him do a super foot stomp. Use the Foot Stomp to press buttons, operate machinery, or catapult Buzz into the air.

TARGETING MODE

Buzz can switch to an inside-the-helmet-mode to target enemies or to use his Space Ranger grappling hook. Press the **LI** button to enter helmet-cam mode and the **RI** button to lock onto enemies or grapple points.

LASER FIGHTING

Buzz's laser is his primary weapon. Press the ■ button to fire the laser either in regular or targeting mode. Hold down the ■ button and release when the charge meter is full to fire a super-charged laser.

SPACE RANGER SPIN ATTACK

Buzz can do a spin attack by pressing the ● button. This can also deflect some enemy attacks if you time it right. Hold down the ● button and release when the charge meter is full to do a super-spin attack.

HELPER CHARACTERS

MR. POTATO HEAD®

Mr. Potato Head® keeps losing pieces of his body. Bring these back to him and he will give you a special Space Ranger power-up. Once opened, that Space Ranger power-up can be reused throughout the game.

REX

You'll find Rex in every level somewhere. He's there to help guide you and give you advice on what to do to get the five tokens.

SLINKY® DOG

You'll find Slinky® Dog on some levels ready to offer you a tough challenge in order to get a token. Remember, Slinky® Dog is on your side!
