LARGO WINCH

...//COMMANDO SAR™

WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNOFFICIAL PRODUCT:

The use of unofficial products and peripherals may damage your PlayStation game console and invalidate your console warranty.

HANDLING YOUR PLAYSTATION DISC:

- This compact disc is intended for use only with the PlayStation game console.
- Do not bend it, crush it or submerge it in liquids
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

STARTUP INFORMATION

SETTING UP

Set up your PlayStation game console according to the instructions in its Instruction Manual. Make sure the power is off before inserting or removing a compact disc. Insert the LARGO WINCH disc and close the CD door. Insert game controllers and turn on the PlayStation game console. Follow on-screen instructions to start a game.

DIGITAL CONTROLLER

LANGUAGE SELECTION:

To select a language with the PlayStation controller, use either the directional buttons if using a digital controller or the left analog stick if using the DUALSHOCK® analog controller to highlight the flag on the region selection screen that represents the desired language.

LOADING A GAME:

At the start screen, highlight the memory card icon using either the directional buttons on either a digital controller or a DUALSHOCK® analog controller, or the left analog stick if using a DUALSHOCK® analog controller, and press the  button on either controller to go to the Load Screen.

SAVING A GAME:

When you have successfully completed a level, the level end-screen appears, displaying the message LEVEL COMPLETED and the SAVE and CONTINUE icons.

Highlighting and then selecting the SAVE icon brings up the message CHECKING STATUS OF MEMORY CARD IN MEMORY CARD slot 1. If there is a formatted memory card in slot 1, the Slot Selection Screen is displayed, showing all of the available slots on the memory card.

(continued on pg. 4)

STARTUP INFORMATION

(continued)

Highlight the desired slot using either up or down directional buttons if using either a digital controller or DUALSHOCK® analog controller, or the left analog stick if using a DUALSHOCK® analog controller. Press the **X** button on either controller to confirm the selection. The message SAVING... DO NOT REMOVE THE MEMORY CARD. DO NOT RESET, OR TURN OFF THE CONSOLE is displayed. After a successful save, the message SAVE SUCCESSFUL is displayed. If a save is unsuccessful, an error message will appear.

OVERWRITING AN EXISTING GAME:

If the slot selected for saving is already in use, the player is given an onscreen prompt telling them that the slot is in use and asking if they wish to overwrite. Note that the Largo Winch save game menu will allow the player to overwrite an existing slot, but not an existing block.

DUALSHOCK® ANALOG CONTROLLER

NAVIGATING THE MENUS

TO SELECT A MENU OPTION:

Use either the directional buttons if using a digital controller or the left analog stick if using the DUALSHOCK® analog controller to highlight the desired option. Press the  button on either controller to confirm.

TO GO BACK TO THE PREVIOUS MENU SCREEN:

Press the  button if using either a digital controller or DUALSHOCK® analog controller.

MAIN MENU

PLAYING THE GAME:

From the opening menu use either the directional buttons if using a digital controller or the left analog stick if using the DUALSHOCK® analog controller to highlight the spinning W logo. Pressing the  button to select this option brings up a screen offering TRAINING or GAME options. Select the desired option and press the  button to confirm.

OPTIONS:

Opens the Options menu. This can also be accessed in-game by pressing the START button.

NAVIGATING THE MENUS

(continued)

CONFIGURE BUTTONS:

Allows the user to configure the in-game controls. The user has to press the  button for the function they wish to reconfigure and then press the new button for that function. Selecting DEFAULT restores the default controls.

Movement is controlled using either the directional buttons on a digital controller or DUALSHOCK® analog controller or the left analog stick if using a DUALSHOCK® analog controller.

THE  BUTTON Performs an action if an operable object is within range. If there is not an operable object within range, Largo will punch instead.

THE  BUTTON Makes Largo climb onto a higher level if one is in range. If there is not a higher level in range, Largo will jump instead.

THE  BUTTON Makes Largo kick.

THE  BUTTON Makes Largo block an enemy attack. Largo cannot attack while blocking, but using either the directional buttons on a digital controller or DUALSHOCK® analog controller, or the left analog stick will make Largo strafe around an enemy.

THE R2 BUTTON Makes Largo run by modifying the walk controls.

THE L1 BUTTON Makes Largo perform a 180° turn.

THE L2 BUTTON Enters 'Look Camera Mode' in which the player can rotate the camera through 360° to examine the environment.

THE R1 BUTTON Makes Largo crouch, in order to hide from guards behind low walls and objects.

SOUND MENU

STEREO:

Pressing the  button on the STEREO option turns the stereo mode on and off.

MUSIC VOLUME:

Highlighting this option then pressing the  button opens up the 'Volume Adjust Mode' in which the volume slider can be moved by using the directional buttons or left analog stick if using a DUALSHOCK® analog controller.

SOUND VOLUME:

Operates in the same way as the Music Volume.

OTHER OPTIONS

VIBRATION:

Pressing the  button on the VIBRATION option turns the DUALSHOCK® analog controller vibration on and off.

AUTO CAMERA:

Pressing the  button on the AUTO CAMERA option turns the automatic 'Look Round Corners' camera on and off.

SCREEN ADJUST:

Pressing the  button on this option enters SCREEN ADJUST mode. The screen image can then be positioned using the directional buttons or left analog stick if using a DUALSHOCK® analog controller. Pressing the  button selects the current position, pressing the  button reverts to the default position.

Digital controller

DUALSHOCK® analog controller

GAME STORY

Largo Winch is attending the opening of his new chemical factory in Venezuela when armed terrorists attack the compound. Largo and a young journalist named Tania are taken hostage and a bomb is planted in the factory complex.

Largo and Tania are imprisoned in a warehouse, but Largo manages to escape, evade the terrorists and defuse the bomb. However, the retreating terrorists take Tania hostage. Now Largo must find out who was behind the attack on the factory and rescue Tania.

LARGO'S WEAPONS

BARE HANDS

Largo is an expert in unarmed combat and can use a range of kicks and punches to disable – but not kill – his opponents.

PISTOL

The pistol holds only six bullets and Largo does not carry any extra. This means that the pistol must be used very carefully to avoid wasting bullets. The pistol noise can be heard over a large area, so firing it will alert guards who will come to investigate.

THROWING KNIVES

Largo can carry up to five throwing knives at a time. Knives that are thrown and miss their target can be retrieved. Knives that hit their target cannot. Using the Throwing Knives can kill opponents, which will result in a fail in certain levels.

OTHER ITEMS

BRAINWAVE MONITOR

In some levels Largo is equipped with a sophisticated brainwave scanner that can tell where guards are and which direction they are facing, as well as their alert status.

RADIO

Largo uses the radio to receive help, hints and messages from his friends.

TOOLKIT

Largo uses the toolkit to fix or alter mechanical things.

CHARACTERS

LARGO WINCH

Young billionaire businessman and the hero of the game.

JOY

Largo's personal assistant, who is in constant communication by radio. Joy frequently has advice and warnings for Largo.

SIMON

Largo's oldest and closest friend, who also sends advice and hints by radio.

RICARDO MENGES

The head of the mysterious South American Redemption (SAR), Ricardo is a good guy blackmailed into doing bad things by Mrs. Fritz.

MRS FRITZ

The head of a rival corporation. Mrs Fritz will stop at nothing in order to beat Largo, even kidnap and murder.

TANIA KOURNAKOVA

Tania is the journalist sent by the W-9 Television Station to cover the opening of the new W Group chemical factory.

NEWS READER

The News Reader appears at the beginning of the game, covering the story of Largo and Tania's kidnapping.

THE VARIOUS GUARDS OF THE SAR

Good guys blackmailed into doing bad work. The guards of the SAR are generally dressed in military combat clothes featuring the SAR logo, although they also appear in other disguises.

MRS FRITZ'S PERSONAL GUARDS

Bad people doing bad work. Mrs Fritz' personal guards appear in many forms, some in uniform and others in casual clothes.

NOTES

UBI SOFT LIMITED WARRANTY

Ubi Soft warrants to the original purchaser of its products that the products would be free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase. Ubi Soft products are sold "as is", without any expressed or implied warranties of any kind, and Ubi Soft is not liable for any losses or damages of any kind resulting from use of its products. Ubi Soft agrees for a period of ninety (90) days to either replace defective product free of charge provided you return the defective item with dated proof of purchase to the store from which the product was originally purchased or repair or replace the defective product at its option free of charge, when accompanied with a proof of purchase and sent to our offices postage prepaid. This warranty is not applicable to normal wear and tear, and shall be void if the defect in the product is found to be as a result of abuse, unreasonable use, mistreatment or neglect of the product.

LIMITATIONS

This warranty is in lieu of all other warranties and no other representations or claims of any nature shall be binding on, or obligate Ubi Soft. Any implied warranties applicable to Ubi Soft products, including warranties of merchantability and fitness for a particular purpose, are limited to the ninety (90) day period described above. In no event will Ubi Soft be liable for any special, incidental, or consequential damages resulting from possession, use, or malfunction of Ubi Soft products. Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages. So the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific rights, and you may also have other rights that vary from state to state.

NOTICE

Ubi Soft reserves the right to make improvements in its products at any time and without notice. Refunds Ubi Soft cannot provide refunds or otherwise process returns for credit of any kind other than an identical product replacement. Any product refund request must occur at the place of purchase, as the individual retail outlets set their own refund policy. This policy covers identical product replacements only. Product / Documentation Replacements Please contact Ubi Soft Technical Support before sending your product to us. In many cases, a replacement is not the best solution. Our support representatives will help you determine if a replacement is necessary or available. **TO RETURN WITHIN THE 90-DAY WARRANTY PERIOD:** Please return the product (media only) along with a copy of the original sales receipt, showing the date of purchase, a brief description of the difficulty you are experiencing including your name, address and phone number to the address below. If the product was damaged through misuse or accident, or if you do not have a dated sales receipt, then this 90-day warranty is rendered void and you will need to follow the instructions for returns after the 90-day warranty period. **TO RETURN AFTER THE 90-DAY WARRANTY PERIOD:** Please return the product (media only) along with a check or money order for the amount corresponding to your product (see replacement fees below) made payable to Ubi Soft, a brief description of the difficulty you are experiencing including your name, address and phone number to the address below.

REPLACEMENT FEES

Our most recent replacement fee schedule is available online. Please visit the support section of <http://www.ubisoft.com> for an updated price list **WARRANTY ADDRESS AND CONTACT INFORMATION:** Email: replacements@ubisoft.com
Please use a traceable delivery method when sending products to Ubi Soft.

TECHNICAL SUPPORT

Before contacting Ubi Soft Technical Support, please carefully read through this manual. Also, help is available online at <http://www.ubisoft.com/support>. If you are unable to find an answer to your question using the website or the manual, please contact us via one of the following methods:

CONTACT US OVER THE INTERNET: <http://www.ubisoft.com/support>

This site takes you to the Ubi Soft Solution Center. Here you can browse our FAQ listings, or search the solution database for the most recently updated information since the game's release. or, for fastest email response, you can send in a request for Personal Assistance from a Technical Support Representative.

CONTACT US BY E-MAIL: For fastest response via email, please visit our website at: <http://www.ubisoft.com/support> From this site, you can enter the Ubi Soft Solution Center where you can send in a request for Personal Assistance from a Technical Support Representative. You can also contact our Ubi Soft Support by e-mailing them directly at: support@ubisoft.com. It may take anywhere from 24-72 hours for us to respond to your e-mail depending upon the volume of messages we receive and the nature of your problem.

CONTACT US BY PHONE:

You can also contact us by phone by calling (919) 460-9778. Note that this number is for technical assistance only. We cannot give hints or tips over the Technical Support line. When calling our Technical Support line, please make sure you are at the game. Be advised that our Technical Support Representatives are available to help you Monday – Friday from 9 am – 9 pm (Eastern Standard Time), excluding holidays. While we do not charge for technical support, normal long distance charges apply. To avoid long distance charges, or to contact a support representative directly after these hours, please feel free to use one of the other support avenues listed above. Email responses usually receive a response in less than 2 business days. If we receive your email, you will receive a response!

CONTACT US BY STANDARD MAIL:

Please do not send returns directly to Ubi Soft without first contacting a Technical Support Representative. If you need to return a product, review the Replacement policy / Warranty in this manual.

UBI SOFT TIPS LINE

Ubi Soft Technical Support cannot give answers to hint, tip, or cheat related questions. Please call our automated Tips Line for walkthroughs and cheats for our games.

All the hints, tricks and cheats for our games are here. If you're under 18 years of age, please have your parents' permission before calling. Note that only touch-tone phones may access this service. (900) 288-2583 (CLUE). \$.95 per minute
