WARNING READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION DISC:

- This compact disc is intended for use only with the PlayStation game console.
- Do not bend it, crush it, or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use.
- Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from the outer edge. Never use solvents or abrasive cleaners.

Memory Card/Saving Data

You must insert your Memory Card before you save or load a Season, Tournament or a Record file. NCAA Final Four '99 saves user-defined options and all data for a Season or Tournament. Four blocks of memory must be available on your Memory Card in order to save any NCAA Final Four '99 data. If you don't have a Memory Card, all NCAA Final Four '99 data will be lost after turning off your PlayStation game console.

989 Studios

You know us, you know our games, and now you know our name.

989 Studios is a division of Sony Computer Entertainment Group Company and has produced numerous action/adventure videogame franchise hits such as Twisted Metal®, Jet Moto™, CoolBoarders®, 2Xtreme and Rally Cross™.

989 Studios' sports brand, 989 Sports, has also produced some of the best sports games on the PlayStation game console: NFL GameDay™ '99, NCAA® GameBreaker™ '99, MLB™ '99, NBA ShootOut '99, NHL Face Off™ '99 and NFL Xtreme™.

NCAA® Final Four® '99 is the newest addition to the most realistic and entertaining sports videogame family. NCAA® Final Four® '99 is loaded with the most comprehensive college style gameplay along with more than 250 Division I teams. Throw in countless offensive and defensive schemes, numerous above-the-rim-style slam dunks, animated crowds and coaches pacing the sidelines, and what you have is college style basketball at its finest. We hope you enjoy it!

Setting Up The Game

QUICK START

Quick Start allows you to start an Exhibition game quickly without having to set up the game. If you decide after selecting Quick Start that you would prefer to setup your game format:

- Press  to go back to the Team Select screen.

SELECT GAME

EXHIBITION

Use Exhibition games to perfect your fundamentals and prepare yourself for a grueling regular season or the pressure of the tourney. Exhibition games are not recorded in the season standings and cannot be saved to a Memory Card.

NOTE: Before starting a game, change the rules and presentation of the game under the Options menu.

EXHIBITION SELECT TEAM

Play with any team in Division I-A or Division I-AA.

- Press  to select Home or Away.
- Press L1/R1 or L2/R2 to jump alphabetically through the teams.
- D-Pad Left/Right to choose a team. Pay particular attention to the categorical team ratings in making your selection. The higher the number, the better the skill level.
- Repeat these steps to make a selection for the opposing team.
- Press  to accept the team matchup and bring up the Controller screen.

CONTROLLER

With the use of a Multitap, NCAA Final Four can be played with up to five players per team. A total of eight people can compete in a game.

- D-Pad Left/Right to choose a team.
- Press  to configure your controller to use different offensive and defensive game controls.
- D-Pad Up/Down to highlight a game action.

- Press  to play a game. In a multi-player game, this will bring up the Controller screen. See Exhibition for more details on setting up a game.

NEW TOURNAMENT

Bypass the regular season and jump straight into the NCAA Tournament. Four regional brackets make up 64 teams competing for the coveted NCAA Championship.

TOURNAMENT TREE

The Tournament Tree shows the matchups for each round. Keep the matchups as is or customize your own tournament by changing who plays who and where. If you prefer, you can also simulate tournament games, making your run through the field of 64 much quicker. See Simulate Tournament Rounds for more details.

To make changes to the tournament setup:

- Press  to select the tree map.
- Use the D-Pad to navigate through the tree map to select a particular Region.
- Press  to switch control back to the team list.
- D-Pad Up/Down throughout the region to highlight a team.
- D-Pad Left/Right to choose a different team from the list of unseeded teams.
- When finished making changes, to play a game, D-Pad to a team matchup and Press  to bring up the Controller screen. See Exhibition for more details on setting up a game.

NOTE: You will be locked into this tier of the tournament tree throughout the tournament.

SIMULATE TOURNAMENT ROUNDS

From the Tournament Tree, tournament rounds can be simulated.

- Press  to simulate an entire round. Repeat this step all the way up to the championship game if you wish.
- When you are ready to resume play in a tournament game, press  to bring up the Controller screen.

CONTINUE

Continue a Season or Tournament at the next scheduled game. To use the Continue option, you must have already started a Season or Tournament, or loaded a previously saved Season or Tournament from a Memory Card. See Memory Card/Saving Data on page 3 for more details. Also, see New Season or New Tournament for details of how to set up these games.

On The Court

PLAYER CONTROL

Each player manually controlled on the court is designated by a color circle. For example, Player 1 is marked by a player with a blue circle. Player 2 is marked by a player with a red circle.

SHOT METER

The Shot Meter will have a designated shot area for each player. To give yourself a better chance at making a shot, release ⊗ in the Shot Meter area. A Hot Spot may also appear within the Shot Meter area. The difficulty setting of the game will determine the size of the Hot Spot. If you shot the ball from the Hot Spot, your player will automatically make the shot. The Hot Spot of each player is determined by his shooting range and ability. If the Hot Spot does not appear, you are out of your player's shooting range.

SHOOTING

For a jumpshot, hold ⊗ to jump and to activate the Shot Meter. When the meter bar reaches the yellow line, press ⊗ again to shoot the ball. With the shot meter off, your chances of hitting the shot increase when you release the ball at the peak of the jump.

989 Sports' Tip: Free yourself from your defender by holding the turbo button (R1) to speed around a defender for an open shot.

JUMPBALL

When the ball is tossed up for the jumpball at the start of the game, press ⊗ to have your center jump for the tip. Use the D-Pad to aim the tip.

INBOUNDING THE BALL

Press ◎ to inbound the ball. If there is a defender guarding the inbound pass, use the D-Pad to move the player inbounding the ball and pass the ball from a different angle.

PASSING

Press ◎ to pass the ball. The ball will be passed in the direction the passer is facing. Use Icon Passing to gain complete control of your passing game, allowing you to pass the ball to any teammate on the court. Press L2 to bring up the passing icons. Utilize Icon Passing when inbounding the ball.

ICON CUTTING

When you need to free a man up for a good look at the basket, press R2 and double tap the icon of a player to have him cut and then receive a pass close to the basket.

SPECIAL MOVES

Press L1 to utilize special dribbling moves such as dribbling between your legs, behind your back, or using a “cross-over dribble”.

SHOT BLOCK

Time your leap and press ⊗ to attempt to block a shot.

REBOUNDING

Read the angle of the shot to get in the best position for the rebound. Box other players out and press ⊗ to time your jump and get the board.

STEALING

Press ⊠ to check the ball handler and reach for the ball to attempt a steal.

989 Sports' Tip: Press ⊠, to keep the ball away from the defender, making it harder for him to take it away and easier for you to back in for a short jumper.

DEFENSE

Defense is man-to-man and the computer controls the defenders not under manual control. To take control of the defender closest to the player with the ball, press ◎.

989 Sports' Tip: Use Icon Switching on defense to control your favorite player. Press L2 to bring up the switching icons shown above each player. Once the icons are up, press the button that corresponds with the defender you would like to switch to.
