2 TRAPPED!

It all began as an ordinary day in September. An ordinary day in Raccoon City, a city controlled by Umbrella Corporation.

Now it's Raccoon City's last chance and my last chance ...

PROLOGUE

A month and a half have passed since the incident ...

September has come to Raccoon City, a small industrial city in the American Midwest. People are starting to forget the chaos at the mansion as their everyday lives return to normal.

The bizarre incident that occurred in the Arclay Mountains, the destruction of the special taskforce S.T.A.R.S., Umbrella corporation's secret biological weapons laboratory hidden in an old mansion, the power of T-Virus that turns humans and animals into horrible monsters ... how could it all happen here?

People could not believe the survivors' reports. Stories of their incredible experiences and of strange biological weapons and zombies were beyond the townsfolks' imagination. The surviving S.T.A.R.S. team members headed to Europe even before the town heard the full details of what had happened.

They hoped it was all over. But then it happened again. Suddenly, a series of inexplicable murders occurred and a strange disease began invading neighborhoods.

T-Virus was flowing into the city ...

The invisible plague snuck up silently and turned the unsuspecting citizens into monsters.

People cursed their foolishness. But the nightmare had already begun ...

The future was out of their control.

Raccoon City was on the brink of collapse ...

CAN'T WIN? TRY THIS

TROUBLE DEFEATING YOUR ENEMIES?

- Learn to use your weapons efficiently. Each weapon is best suited to destroying a different type of monster or zombie. Figure out which weapon you need, then put it to use. (Be sure to equip weapons BEFORE a fight!) Hint: When a zombie dies completely, blood will spread on the floor.
- Look for Attack Objects, such as drums, to help defeat your enemies.
- Use Dodge and Quick Turn to take less damage.
- Nothing works? Then run!

CAN'T HEAL YOUR CHARACTER?

- Search the background for Herbs and First Aid Spray. Don't give up. You can't win if your character is too weak to fight.

CAN'T SOLVE PUZZLES?

- When you come to a new scene, search for files and memos that may contain clues. For more hints, call the CAPCOM EDGE HINT LINE at 1-900-976-EDGE.
