3. HOW TO PLAY THE GAME

POWER RANGERS ZEO Full Tilt Battle Pinball is an arcade-like pinball game with 5 main playfields: USA, Europe, Asia, Africa, and the North Pole. The object in each playfield is to defeat the End Level Boss. You are allotted 5 balls per game. To defeat the Boss, you must hit him with the ball a specific number of times. In some of the stages, after you have destroyed the Boss, you will need to roll a ball through the area where the Boss was located to complete the stage.

MULTIBALL MODE

You can access Multiball Mode in the playfields that have ramps. To do this, you must roll a ball up the ramps a certain number of times. If you succeed, several additional balls will appear.

VIEWING THE CINEMAS

In each level, the ZEO RANGERS' Helmets will appear if you hit certain enemies. When the Helmets appear, you should try to hit them. When you hit a Helmet, its icon will appear, rotating in the bottom left hand side of the screen. If you hit all five Helmets, a Cinema will appear of a ZORD destroying the Boss from that level.

4. WINNING THE GAME

To win the game, you must defeat the Bosses in all 5 playfields.
