WARNING: READ BEFORE USING YOUR PLAYSTATION® GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation® game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation® game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNOFFICIAL PRODUCT:

The use of unofficial products and peripherals may damage your PlayStation® game console and invalidate your console warranty.

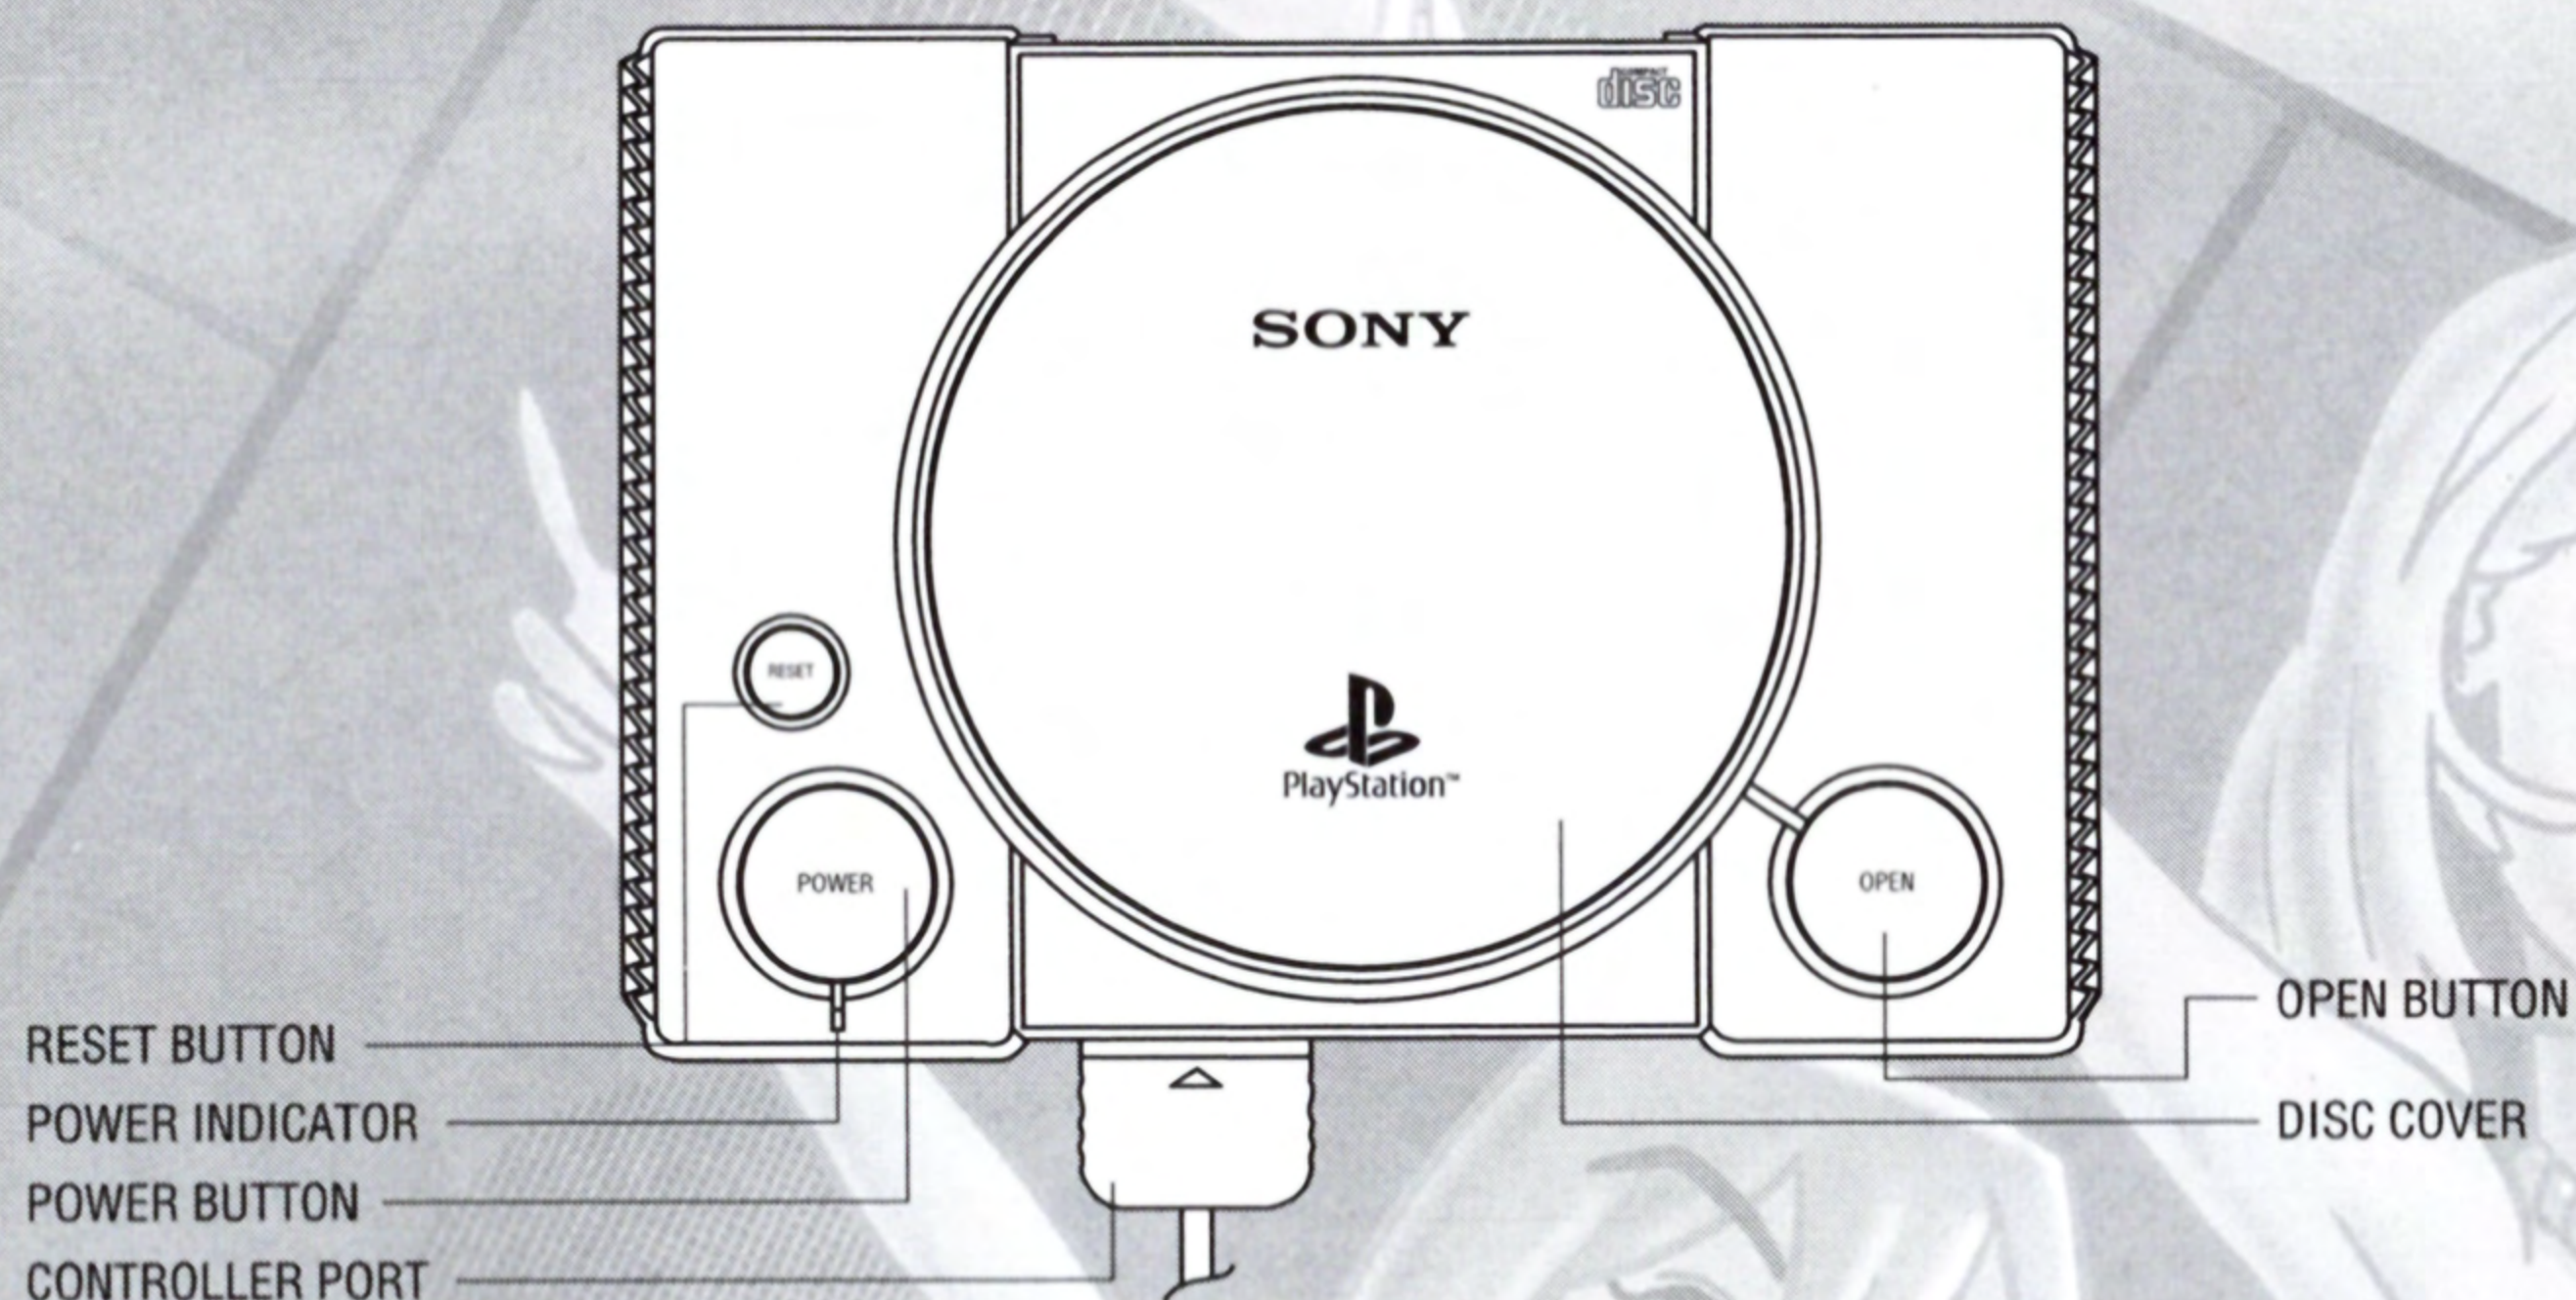

HANDLING YOUR PLAYSTATION DISC:

- This compact disc is intended for use only with the PlayStation® game console.
- Do not bend it, crush it, or submerge it in liquids.
- Do not leave it in direct sunlight or near a heater or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use.
- Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

STARTING THE GAME (continued)

Insert the Super Star Dance Club game CD into the PlayStation® game console and turn on the power. You will see the opening movie, press the START button to go to the Title Screen.

Here you have 2 choices. **"New"** or **"Load"**

If you choose **"Load"**, you will be able to continue from where ever the game was previously saved. This is the only place to load your data.

* You can skip the opening movie by pressing the Start button

If you choose **"New"**, you can choose your character's nick name.

How to input the nickname.

You can give your character a nickname. Use your directional buttons and press the ⊗ button to select a letter or symbol and then move onto the next. Press the △ button to cancel. When you are finished, press the START button. After you confirm the nickname on the next screen you will go to the Menu Screen. *Nicknames must be at least 2 characters long.

Saving/Loading

If you place your memory card into MEMORY CARD Slot 1, you will be able to save your cleared stage and system setup data. When continuing from the last saved game, please have your memory card inserted into MEMORY CARD Slot 1 before you turn on the power. Please do not remove the card while you are saving or loading.

How to play

Super Star Dance Club is a rhythm action game where you make your character dance. When you press the dance command buttons (○ Button, ⊗ Button, △ Button, □ Button) in time with the music, your character will dance. Pressing the buttons in time with the music is the key to earning lots of money and getting into the other clubs. Can you become the Super Star Dance Club Champion?

MAIN MENU

Stage

The first stage that you can select is "CLUB Cat Star"

When you pass a stage, a new stage will appear, and you will be able to choose another stage. There are multiple difficulty levels for each stage. If you dance well enough you will earn a great grade and a new stage will be unlocked.

Stage Difficulty

This is the current difficulty setting of the selected stage. Level 1 is Easy, Level 2 is Intermediate, and Level 3 is Expert.

Chips

This indicates how much money you currently have. Everytime you dance well at a club you will earn some money. This game features multiple endings. The endings will change depending on how much money you have earned over the course of the game.

Configure System

You can choose these from the following options:

Sound – Stereo / Mono

Vibration – On / Off

Stage Status Icons

Cat mark – Indicates that this stage is still locked.

Green – This stage is unlocked and available for play, but not completely cleared.

Blue – Indicates that you have cleared at least one difficulty level.

Red – Indicates that this stage has been completely cleared.

Saving

Selecting “Save” from the main menu will allow you to save your current game.

The next screen will ask if you if you want to overwrite your current save data.

This will delete any old game data and then save your new data with newly cleared stages as well as game settings. If you want to cancel this operation press the  button.

In Game

Now it's time to start!! Dance with rhythm, time your button presses with the music and make your character dance.

Dance Command

You will always start from the left set of dance commands. Once the music starts, there is a countdown. When the countdown concludes begin to press the correct buttons using the correct timing. The button you need to push next will become big for a second.

Dance Command Switch

When you see arrows on the other side of the dance command bar, it means that you must switch over to that one next. You will bounce back and forth among the command bars. Be careful and pay attention to which command bar you are currently on.

Dance Ranking

This is your grade on your dance performance. You can earn money by clearing the stage. Any ranking over A will let you clear the stage and earn you lots of money!

Dance Gauge & Time Gauge

When you push the buttons using the right timing, the green color on the dance gauge will grow. Your dance gauge must be in the green area before the time gauge expires or else the game will be over. Timing is crucial. Depending on when you push the buttons, your gauge will grow differently. Even when you have full green, you can go further with the purple gauge on top of the green gauge.

Dancing Evaluation

Cool – You are pressing the buttons with perfect timing.

Good – Doing pretty good!

Bad – Try harder!

Sound Effect button

Pressing the L1 button, L2 button, R1 button, R2 button, while dancing will add additional sound effects. Sometimes, you can earn bonus money and this will also build up your green dance gauge quickly.
